LEGACY

Heritage

Guided by a heritage that spans over 135 years, the journey is marked by craftsmanship, innovation, and dedication. The evolution of the shipyard reflects a transformative journey. The passion that once was directed towards the sheer roar and power of an engine now thrives on the unfolding of new horizons, leveraging technological advancements, and the pursuit of excellence.

Shipyard Legacy

Anchored by the wisdom of the past and propelled by a vision for the future, we are dedicated to advancing the art of shipbuilding, ensuring that each creation is a testament to craftsmanship. Navigating the currents of change has become the shipyard's mission, and our commitment always remains steadfast: **to deliver unparalleled maritime excellence that honors our heritage, embraces innovation, and allows the celebration of the endless possibilities of the sea.**

Our Facilities

The shipyard is equipped with slipways, featuring capacities of 12,000 and 3,500 square meters, enabling us to accommodate a diverse range of shipbuilding endeavors. Our dedication to excellence is reflected in our investment in state-of-the-art facilities.

These encompass slipways engineered for the launching of vessels measuring up to 200 meters in length and 60 meters in width, complemented by cutting-edge steel-cutting technologies and comprehensively equipped machine and pipe workshops.

Looking Ahead

The shipyard is at the forefront of developing state-of-the-art explorer yachts designed for global voyages, blending resilience with luxury. This initiative highlights our commitment to advancing naval architecture and delivering exceptional maritime experiences.

Looking forward, we are dedicated to incorporating innovative technologies and sustainable practices in our projects. Our goal is to surpass industry standards and fulfill the high expectations of our clientele.
